Our Suburb — Our Safety — Our Responsibility

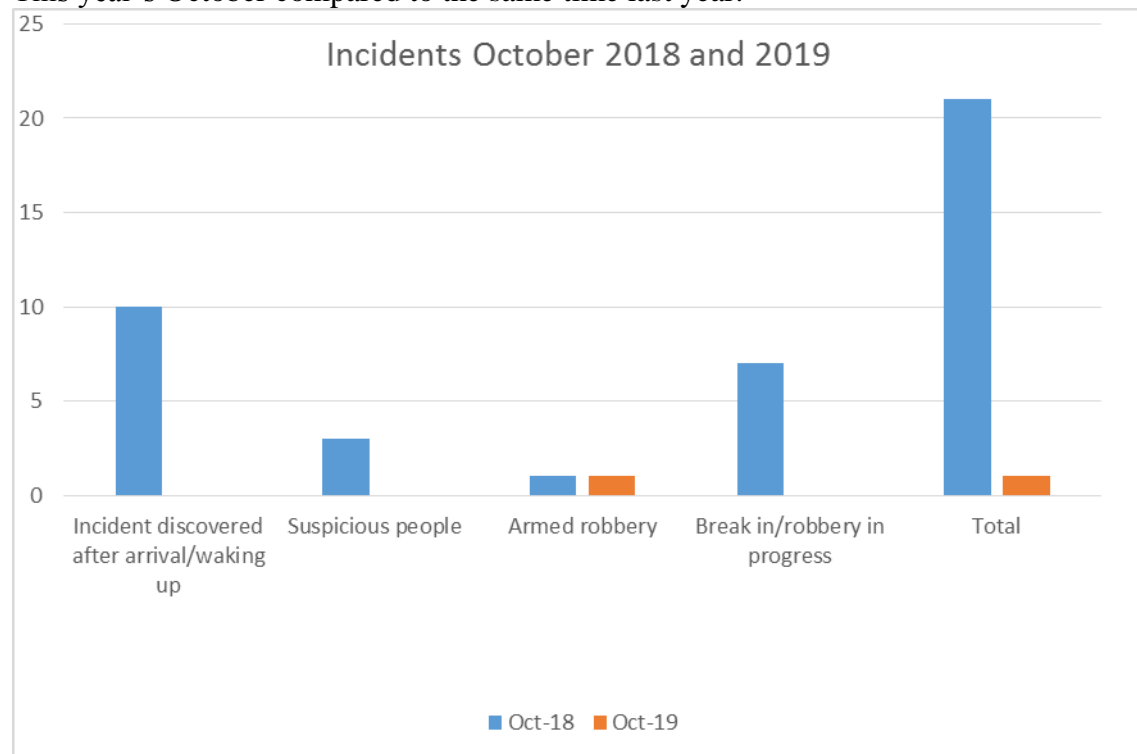

Good day all.

Before we get to October, there is a small issue to settle with last months stats. Two more incidents were reported after the report went out last month. They are added to the table at the end of this report.

For the month of October 2019 we had one incidents. One attempted armed robbery.

This year's October compared to the same time last year:

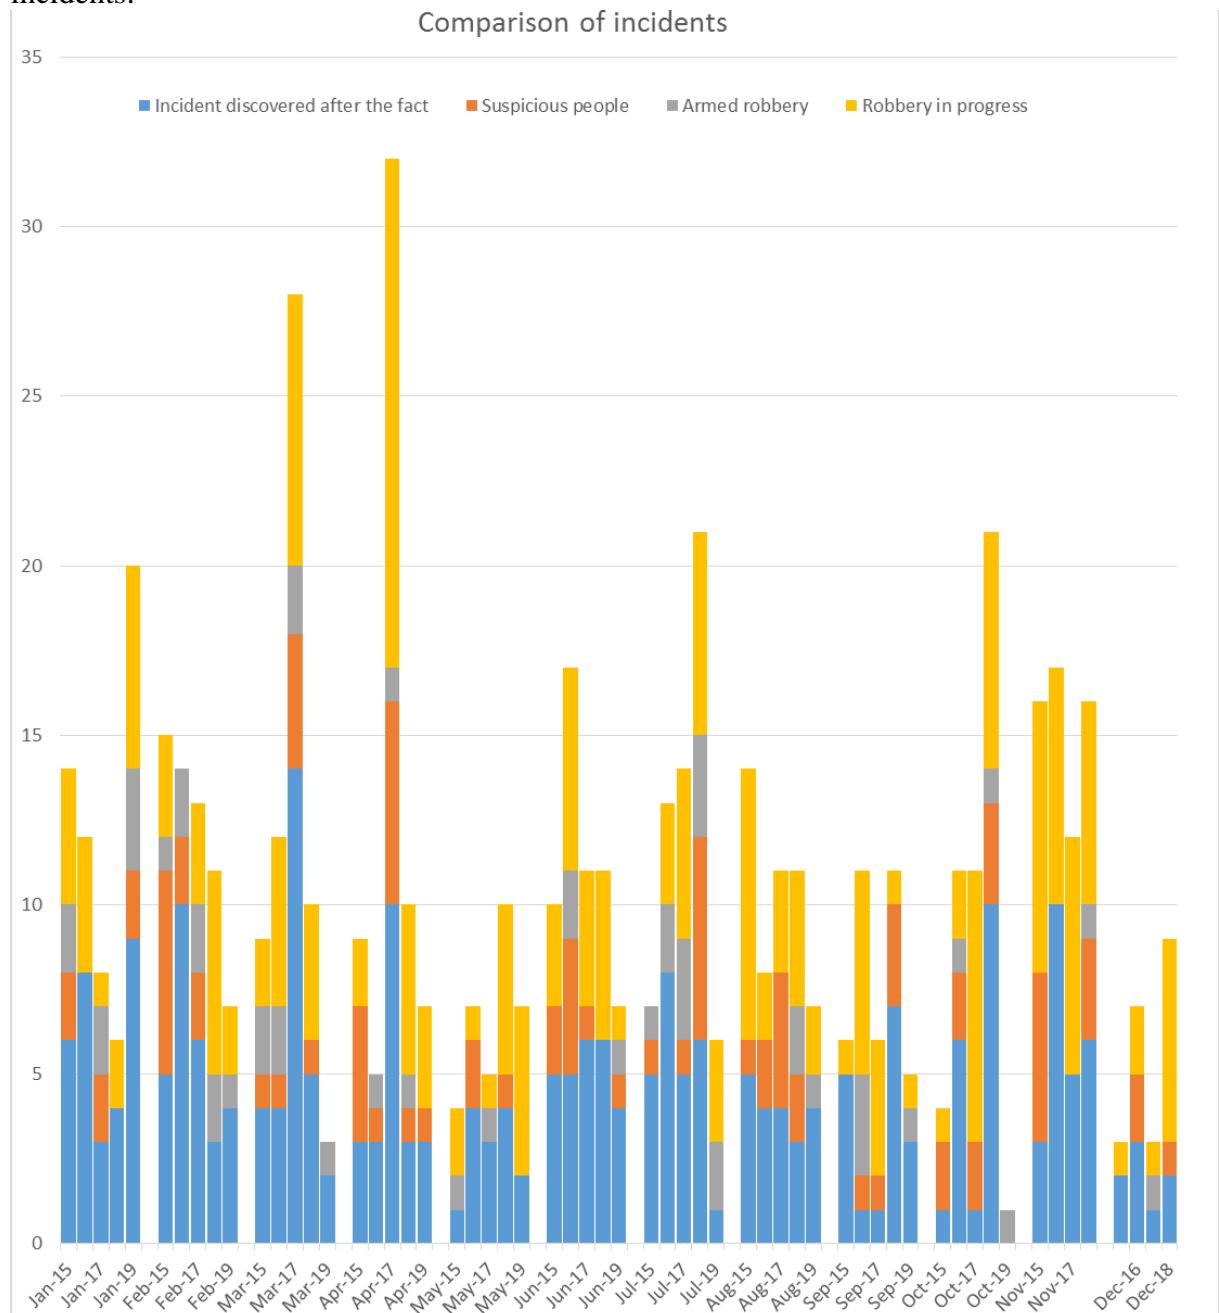

Crime is down by a huge margin for this month however the one incident that occurred is quite a serious one. The incident was of a parent noticing two suspicious men in a vehicle as she was picking up her child. One of the men pointed a firearm but the parent saw them and was able to get away. The men also fled. This is a disturbing incident as this could be an attempted kidnaping. We ask the community to continue with their vigilance and report suspicious individuals or behavior on the radio especially around the schools.

Muckleneuk Hill Security Initiative

Our Suburb — Our Safety — Our Responsibility

Comparison of total incidents during the years we have been keeping track of incidents:

As always, keep safe and vigilant this month. Report suspicious people or activities to Interactive security, ADT or SAPS. Report any incidents to incidents@muckleneukhill.co.za even if you might think it insignificant; report it in any case and we will investigate further.

Regards
Alfie Barnard
Incident Manager MHSI.
