

Muckleneuk Hill Security Initiative

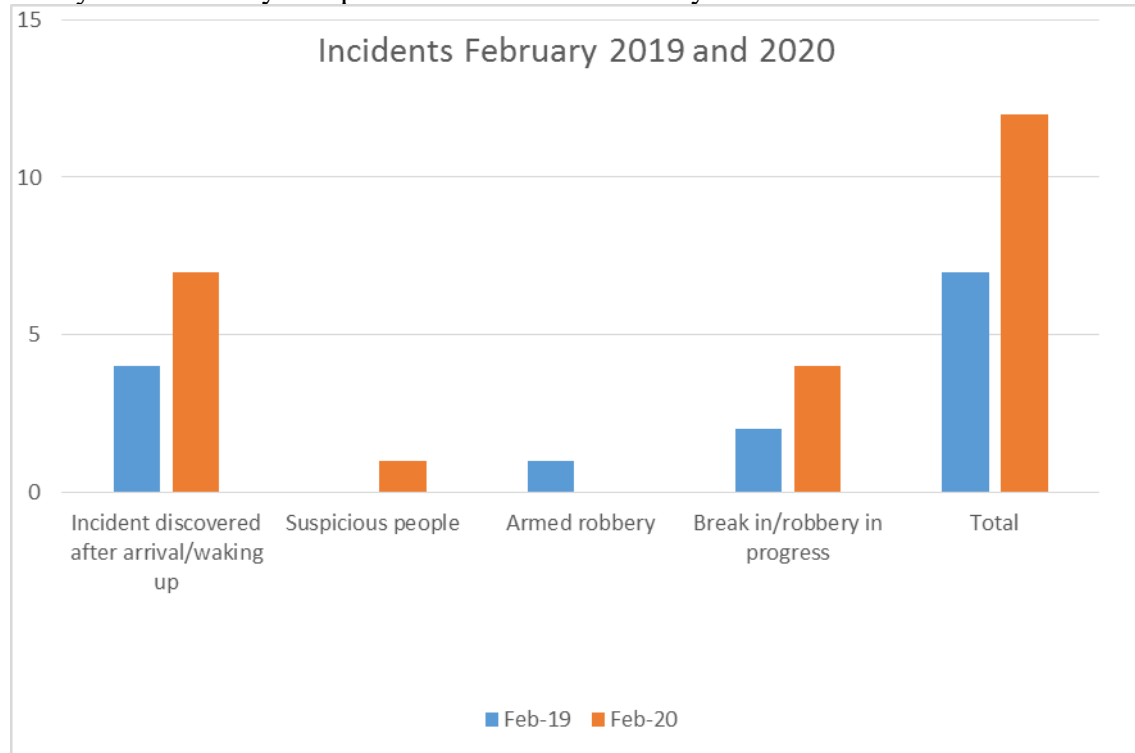

Our Suburb — Our Safety — Our Responsibility

Good day all.

For the month of February 2020 we had twelve incidents. One suspicious person, six break-ins with theft, one vehicle theft and four incidents of cable theft.

This year's February compared to the same time last year:

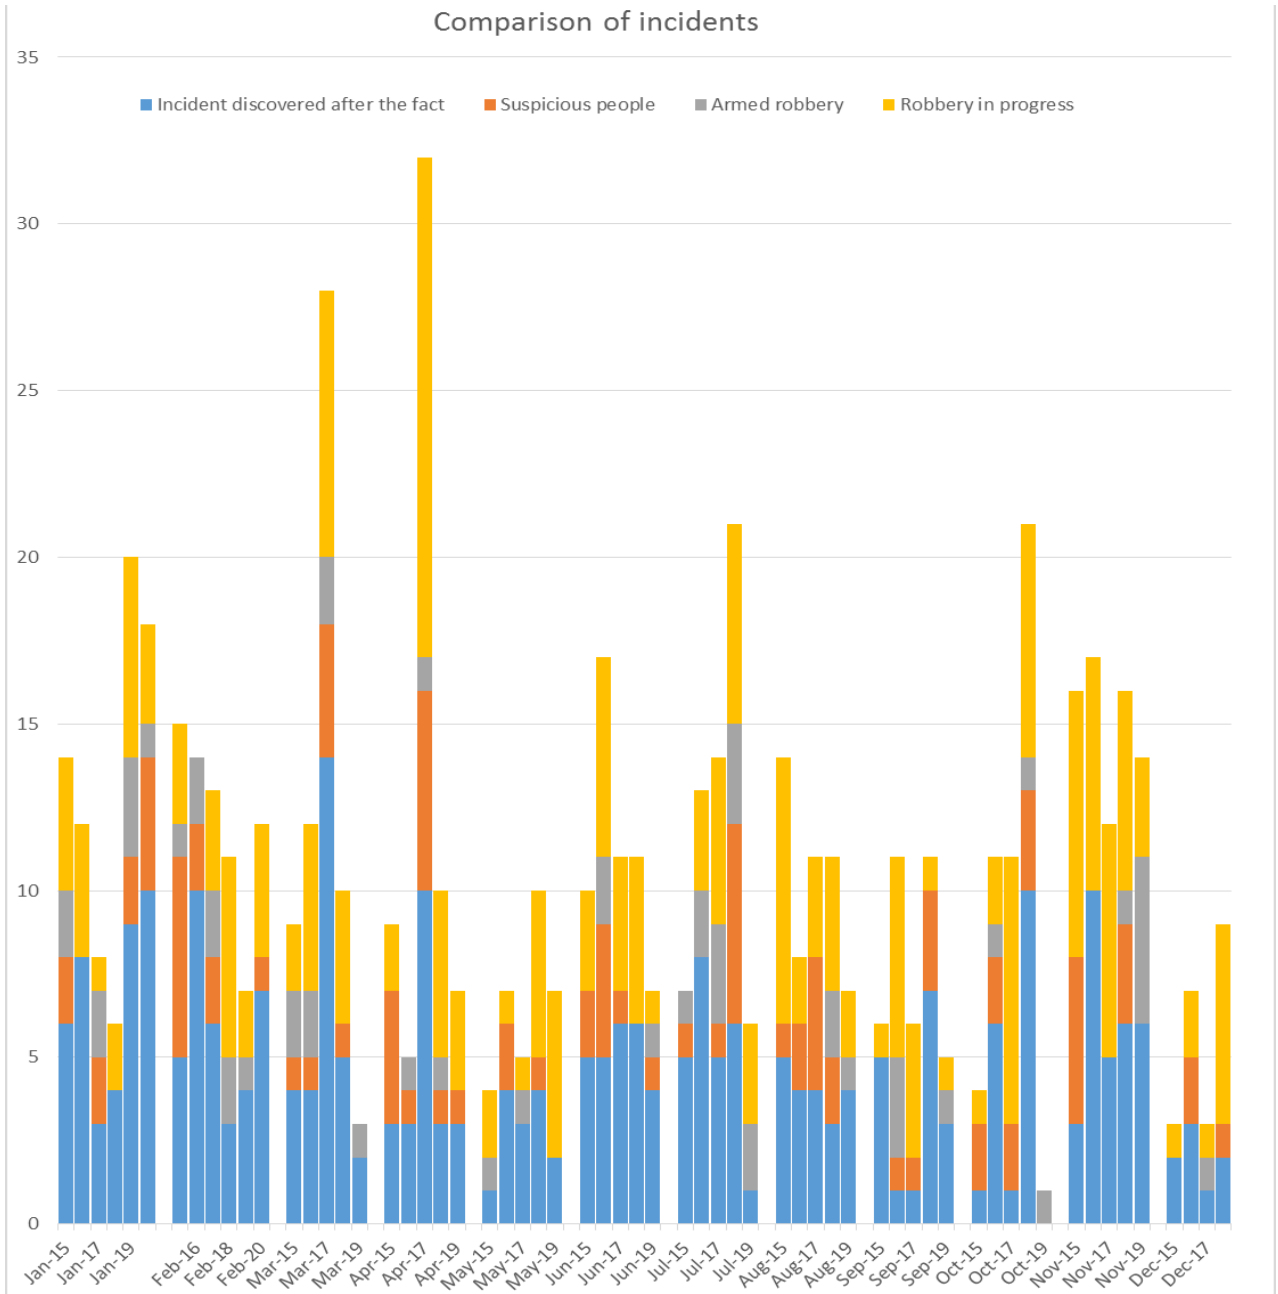

The amount of cable theft incidents have a taken a bit of jump so far this year. Please report suspicious behavior. Do not confront any suspected cable thieves, they are sometimes armed and your life is not worth a couple meters of copper cable. Report thefts and thefts in progress to the police or security services.

Muckleneuk Hill Security Initiative

Our Suburb — Our Safety — Our Responsibility

Comparison of total incidents during the years we have been keeping track of incidents:

As always, keep safe and vigilant this month. Report suspicious people or activities to Interactive security, ADT or SAPS. Report any incidents to incidents@muckleneukhill.co.za even if you might think it insignificant; report it in any case and we will investigate further.

Regards
Alfie Barnard
Incident Manager MHSI.
