

Muckleneuk Hill Security Initiative

Our Suburb — Our Safety — Our Responsibility

Good day all.

For the month of March 2020 we had eleven incidents. Three parked cars were broken into, four break-ins, two cable theft incidents and two armed incidents.

This year's March compared to the same time last year:

The amount of cable thefts are still remaining the same and very high for this time of year. Vehicles parked on the side of the road are being targeted for break-ins, please be aware when parking on the outside for suspicious behavior. The lock down seems not to have slowed down criminal activity.

Muckleneuk Hill Security Initiative

Our Suburb — Our Safety — Our Responsibility

Comparison of total incidents during the years we have been keeping track of incidents:

As always, keep safe and vigilant this month. Report suspicious people or activities to Interactive security, ADT or SAPS. Report any incidents to incidents@muckleneukhill.co.za even if you might think it insignificant; report it in any case and we will investigate further.

Regards
Alfie Barnard
Incident Manager MHSI.
