Our Suburb — Our Safety — Our Responsibility

Good day all.

For August 2020, we had eight incidents. We had three break-ins, one theft of a vehicle, two attempted thefts of vehicles (one-armed), one armed robbery, and one incident of a suspicious person.

This year's August compared to the same time last year:

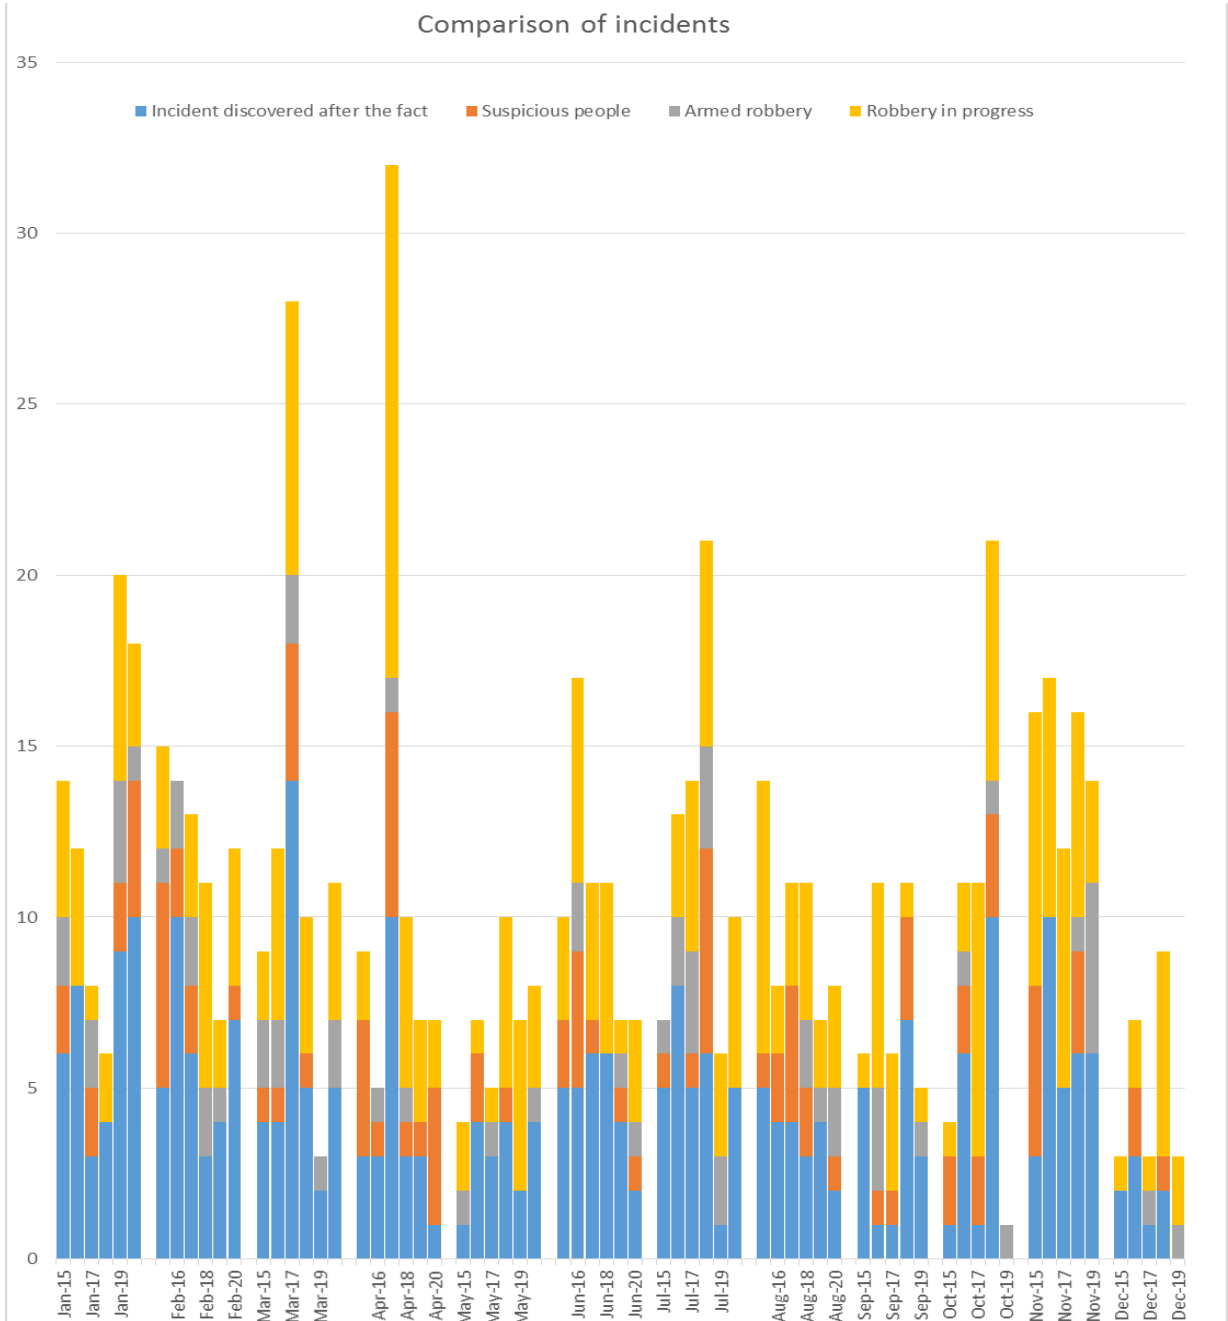

The crimes against people exercising in the area seems to be continuing as well as opportunistic crimes. Please be vigilant when in the neighborhood, exercising in groups is better, and be sure to secure your property and vehicles.
