Our Suburb — Our Safety — Our Responsibility

Good day all.

For July 2020, we had eleven incidents. Four break-ins, one gate motor stolen, solar panel stolen from a wall, two bins stolen, mugging of a jogger and a robbery while they were supposedly checking out accomodation.

This year's July compared to the same time last year:

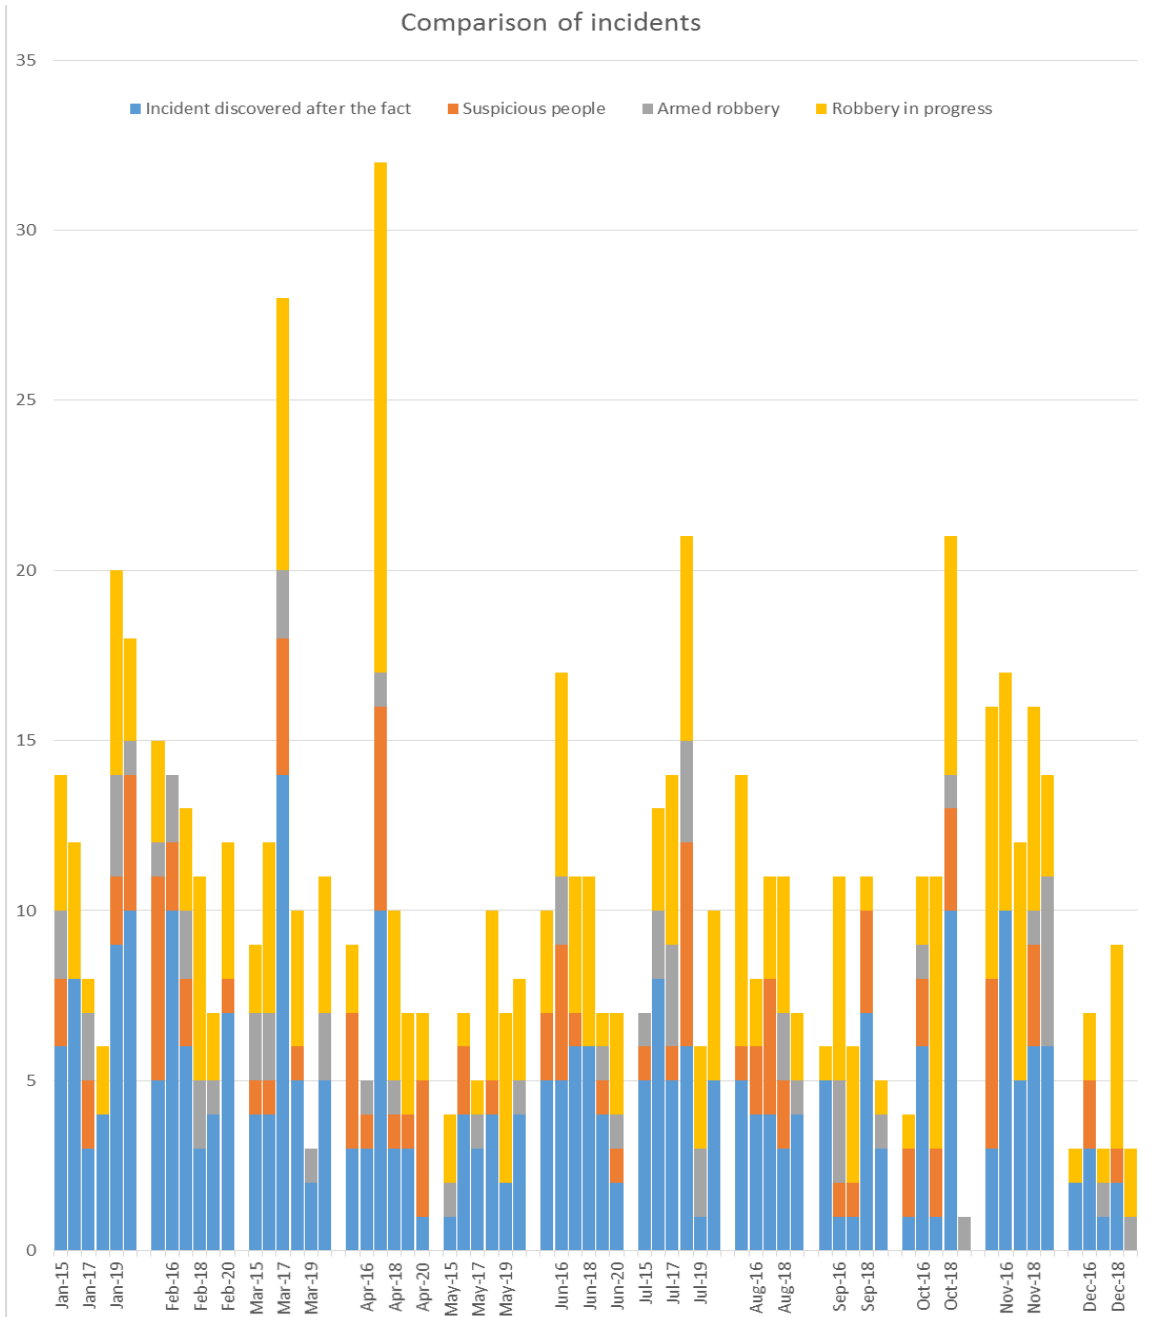

The trend of mugging joggers is continuing. Please be cautious when exercising outside. There was also an incident of people posing as prospective tenants and then stealing from the property. Always be on alert while you have strangers in your house.

Comparison of total incidents during the years we have been keeping track of incidents:

As always, keep safe and vigilant this month. Report suspicious people or activities to Interactive security, ADT, or SAPS. Report any incidents to incidents@muckleneukhill.co.za even if you might think it insignificant; report it in any case and we will investigate further.
