Our Suburb — Our Safety — Our Responsibility

Good day all.

For October 2020, we had five incidents. We three suspicious people, one attempted theft and one attempted armed hijacking.

This year's October compared to the same time last year:

A relatively quiet month, the only real worrying incident is the attempted armed hijacking at the gates of the Groenkloof campus. This happened at the gate, while they were being checked for covid symptoms. It just goes to show that you must always remain vigilant and not to drop your guard.

Comparison of total incidents during the years we have been keeping track of incidents:

As always, keep safe and vigilant this month. Report suspicious people or activities to Interactive security, ADT, or SAPS. Report any incidents to incidents@muckleneukhill.co.za even if you might think it insignificant; report it in any case and we will investigate further.
