*Our Suburb — Our Safety — Our Responsibility*

Good day all.

For November 2021 we had **10 incidents reported**. We had 5 break-ins/robberies. 4 suspicious incidents reported and **1 armed robbery**.

## November stats

For November we have seen a increase in chatter on the Telegram group about suspicious people and cars. But not enough information is provided.

Based on past history it seems that this November is still lower in numbers compared to pre-2020 and below the average of 13.

**Please be on the lookout over the holiday period.**

## Interesting initiatives outside our community

Waterkloof closure

<https://safewaterkloof.co.za/>

<https://www.facebook.com/safewaterkloof.co.za/>

There are efforts by some in the community to again investigate closures or combining it with the camera projects

## Camera Project

There has been no new announcement since September wrt to the progress of the Camera project

## Other Projects

There was an Police effort on 10/11 November 2021 to perform searches and road blocks in the areas to help lower the crime and prevent the increase in house burglaries. The numbers are down from October spike but still didn't stop it fully.

## Final Note

As always, keep safe and vigilant this month. Report suspicious people or activities to Interactive security, **ADT, or SAPS. Please report all incidents to incidents@muckleneukhill.co.za** even if you might think it insignificant; report it in any case and we will investigate further.

All incident reports are also available on the MHSI web site:
