Our Suburb — Our Safety — Our Responsibility

Good day

For February 2022 we had **4 incidents reported**. We had 2 break-ins/robberies.

Based on past history it seems that this February is **below** our 8 year average of 11 based on data since 2015.

February 2022 stats

We had another break-in in February in the small street of Ridge. Taking the total to 3 in just +/- 30 days. Seems they are targeting this small street similar to the Berea break-ins.

There was also an attempt to steal a car parked in-front of a home in Berea and was luckily stopped.

Great work by community and security to catch people and a vehicle used in an armed robbery.

Looking at previous months of February:

Feb-15	15
Feb-16	14
Feb-17	13
Feb-18	11
Feb-19	7
Feb-20	12
Feb-21	20
Feb-22	4

February's 8 year Avg overall is 12 vs the 8 year average of 11 per month. So February seems to be an active month but at least lower this year.

Comparison of total incidents during the years

Comparison of total incidents during the years we have been keeping track of incidents:

Note: We removed 2015 and 2016 to have enough space to show the diagram below. They are available on the web site

Camera Project

There has been no new announcement since September wrt to the progress of the Camera project.

Please attend the AGM on 5 April 2022

Other Projects or News

Some people in the community has started some exploratory discussions of closure with Street Safe. **No updates on this**

Data analysis

There is an ongoing effort to look at the data and try and map it on maps to see if we can see any important patterns.

Final Note

As always, keep safe and vigilant this month. Report suspicious people or activities to Interactive security, **ADT, or SAPS. Please report all incidents to incidents@muckleneukhill.co.za** even if you might think it insignificant; report it in any case and we will investigate further.

All incident reports are also available on the MHSI web site:
