*Our Suburb — Our Safety — Our Responsibility*

Good day

For July 2022 we had **10 incidents reported**. We had 1 cable thefts and **3 armed** robberies.

Based on past history it seems that July is below our *8 year average of 11* based on data since 2015.

## July 2022 stats

There were 2 armed robberies at homes and one domestic that was robbed in the street.

Please be careful when returning home at night and be on the look-out if your **water is suddenly not working**. Robbers are turning off the water at the mains in the street to lure you out or see who is home or not.

Cable theft seems to be increasing.
