*Our Suburb — Our Safety — Our Responsibility*

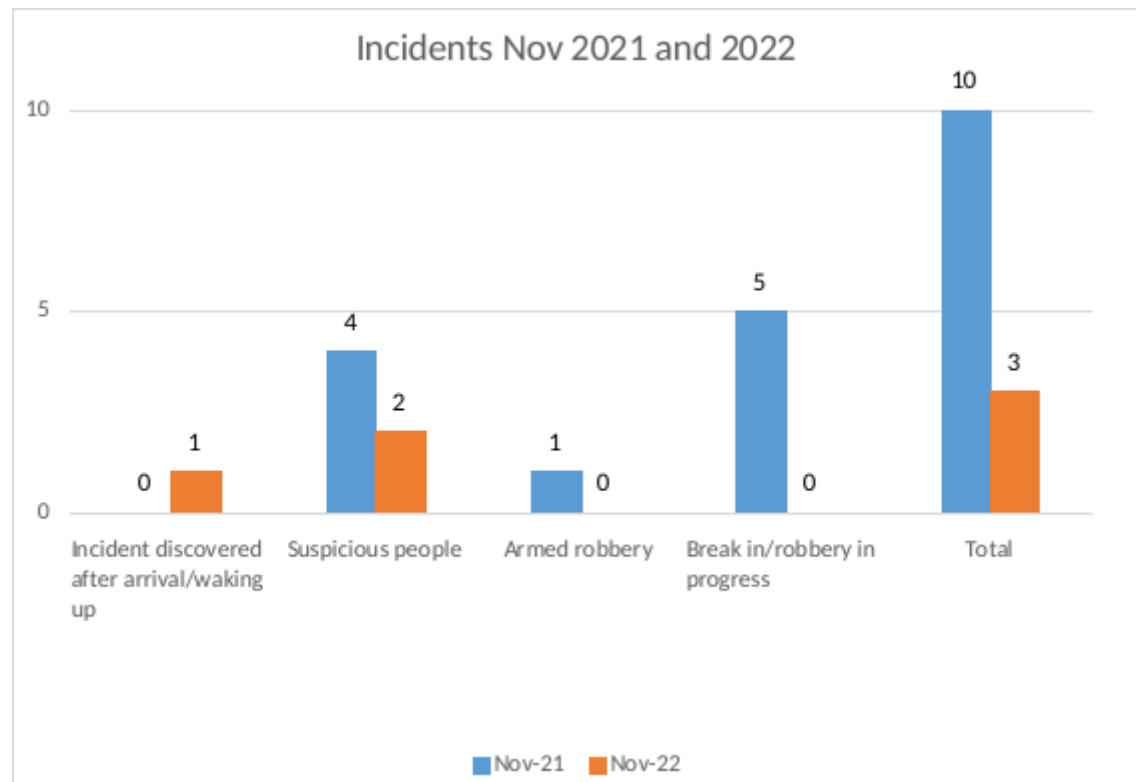

Good day

For November 2022 we had **3 incidents reported** which is amazing for **this time of year and lowest in 7 years! Might be because of the use of the new camera's.**

Based on past history it seems that November is below our *8 year average of 11* based on data since 2015.

## November 2022 stats

There was 2 suspicious activities in the neighbourhood. One was a stolen car that entered our area and got flagged by the new camera's

Looking at previous months of November:

Nov-15	16
Nov-16	17
Nov-17	12
Nov-18	16
Nov-19	14
Nov-20	8
Nov-21	10
Nov-22	3
	12

November's 8 year Avg is 12

## Camera Project

**IMPORTANT NOTICE:** Message from MHSI committee. Success stories

18 November:

Flagged vehicle entered our area in the middle of the night. The cameras picked it up and an automated alarm was sent to all the patrol vehicles. ADT acknowledged the message and with the help of Interactive boxes the vehicle in at the Engen garage. Driver abandoned the vehicle and fled on foot. Vehicle was impounded pending further investigation.

20 November:

Camera's was used to catch illegal dumping in our area and resident was fined by TMPD

Regular Show and Tell's events are being held to inform the community of this project and the progress.

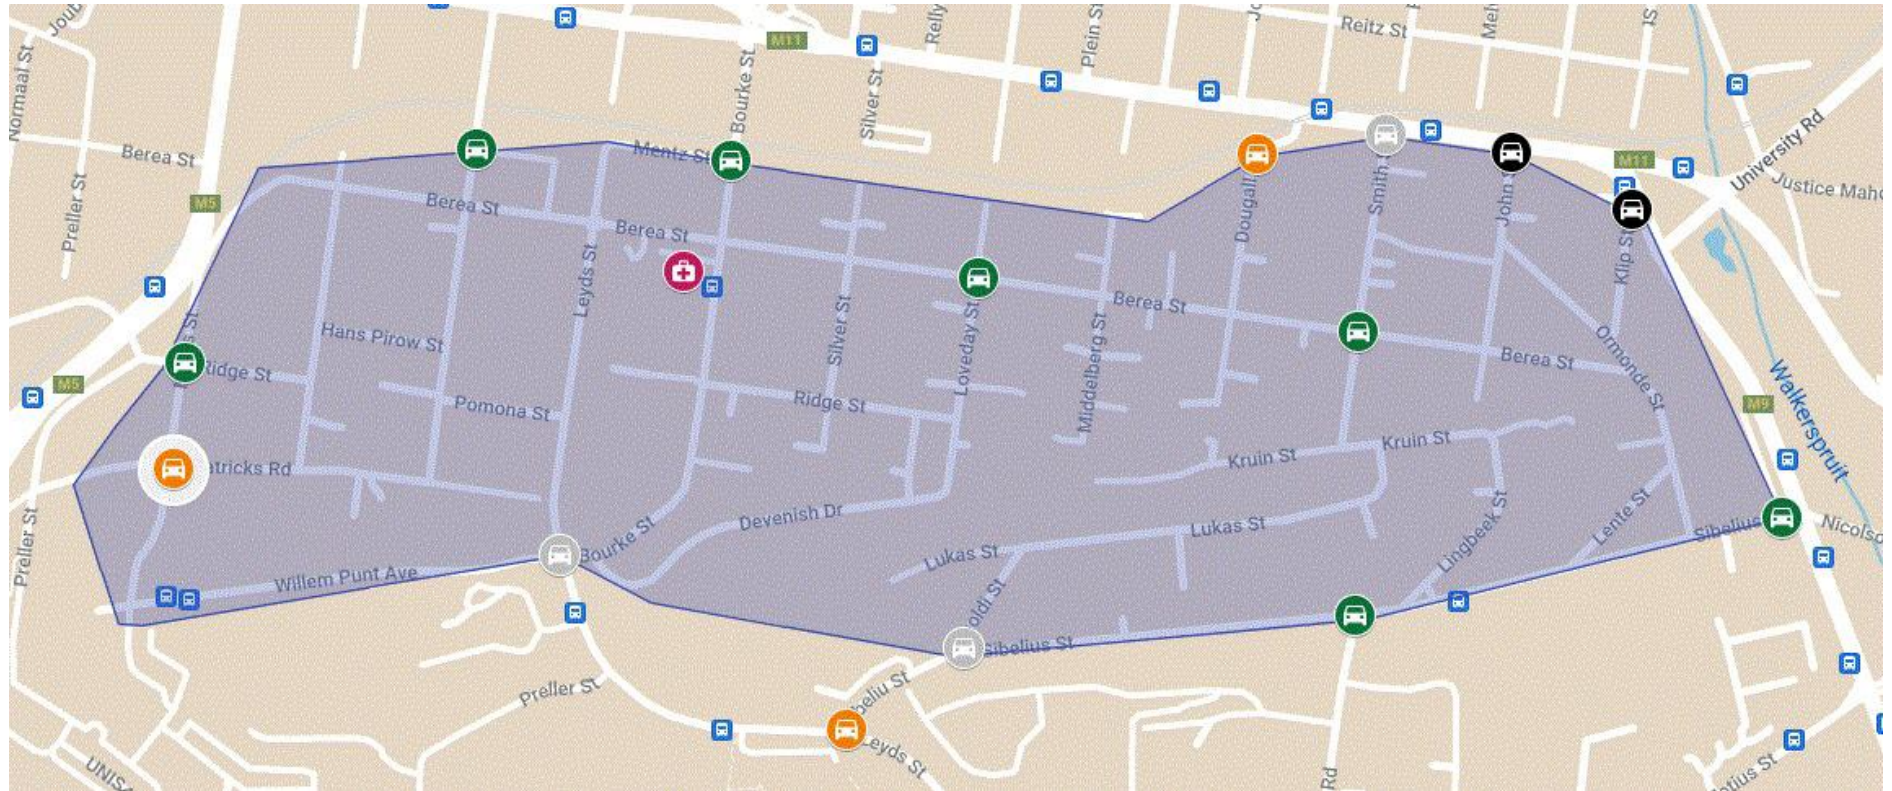

Latest map below showing that 7 cameras of the 12 entrance cameras are up and running.

- \* Green is installed
- \* Orange is next installation
- \* Black is still unfunded

## **Other Projects or News**

None.

## **Data analysis**

There is an ongoing effort to look at the data and try and map it on maps to see if we can see any important patterns.

## Final Note

As always, keep safe and vigilant this month. Report suspicious people or activities to Interactive security, **ADT, or SAPS. Please report all incidents to incidents@muckleneukhill.co.za** even if you might think it insignificant; report it in any case and we will investigate further.

All incident reports are also available on the MHSI web site:
