Our Suburb — Our Safety — Our Responsibility

Good day all.

For the month of June 2019 we had seven incidents in all. One break-in with theft, one suspected vehicle theft, two incidents of cable theft, two theft of vehicles and one armed incident.

This year's June compared to the same time last year:

A pretty standard month in terms of crime, the only crime trend on the uptake is vehicles being stolen when parked outside. Whenever possible please park inside.

Comparison of total incidents during the years we have been keeping track of incidents:

As always, keep safe and vigilant this month. Report suspicious people or activities to Interactive security, ADT or SAPS. Report any incidents to incidents@muckleneukhill.co.za even if you might think it insignificant; report it in any case and we will investigate further.
