Our Suburb — Our Safety — Our Responsibility

Good day all.

For the month of August 2019 we had seven incidents in all. Four break-ins, one break in of vehicle, one attempted bin theft and one armed incidents.

This year's August compared to the same time last year:

Once again crime down from last year, this I think is due to increased community involvement and reaction to incidents in progress added with increased community vigilance.

Comparison of total incidents during the years we have been keeping track of incidents:

As always, keep safe and vigilant this month. Report suspicious people or activities to Interactive security, ADT or SAPS. Report any incidents to incidents@muckleneukhill.co.za even if you might think it insignificant; report it in any case and we will investigate further.
